Rubio® WoodCream

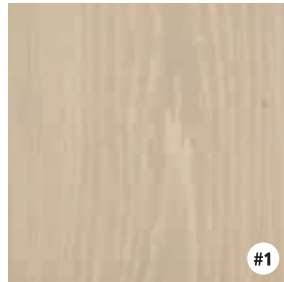

Provides an instant aged look for your vertical exterior wood

Rubio® WoodCream is a high-quality, water-based cream that gives vertical wood a weathered look and also makes it water-repellent, which results in a long-lasting pearl effect. Rubio® WoodCream is available in 7 shades of grey, which give the wood an aged look. A transparent version is also available, which allows the wood to age naturally, but protects it and makes it water-repellent.
